“Wicked” tickets for the Nov. 6 LISA field trip are still available for \$40.

Fundraising:

Goodsearch.com/goodshop.com is now available to use. This is powered by yahoo.com and we earn \$.01 for each search. See the music website for more info.

Luggage tag sale is still a fundraising opportunity if we have a parent volunteer. Sheila Kerbel volunteered to organize the sale.

King Soopers cards are still available from Penny Kidd. There is a possibility that we can sell the cards in front of King Soopers. Penny will also sell them at our music concerts.

HCI Fundraising sale is going on through tomorrow in the auditoria, with many items, each for \$6.

Culver’s Night is being organized by Terese Klug. A day will be selected and we will need to provide musicians for that night.

Gold C sale is officially over. Books and money should be turned in to Jennifer Hanna.

Qdoba coupon sheet sale is a possible fundraiser. Two other groups at MVHS are currently selling these, but we could schedule a sale in a few months.

Rent-a-Kid fundraiser is being organized by Deann Fabian.

Poinsettia/Daz Bog coffee sale will begin in Nov. Poinsettias will be delivered the day of both music concerts in Dec.

Penny Kidd needs help selling our fundraiser items at home football games.

Butter Braids sale and Christmas tree sales are both fundraising possibilities. We would need a commitment from a parent this week in order to get school board approval for the Christmas tree sales.

Board Positions:

Jennifer Hanna was elected to the Band Member-at-Large position and Janet Axline was elected to replace her as Secretary.

Boston Trip:

Pete Toews distributed info re: payment schedule for the trip. Estimated trip cost is approximately \$1,300. Currently, 119 people are signed up to go. Please note that luggage costs will not be part of the trip price. If the tour company is able to switch us to Southwest Airlines, we won’t have luggage fees. Also note that the cost-per-person is higher if not in a quad-occupancy room.

Next Boosters meeting is Nov. 2.

Dec. Boosters meeting is changed to Dec. 14 (second Monday) due to the Dec. 7 Band and Orchestra concert.
